

Reception's Rainbow Tea Party

On Wednesday the Reception parents were invited to a rainbow themed afternoon tea. The children work hard all day to prepare all the delicious food and colourful decorations. They then enjoyed all the cakes, fruit kebabs, biscuits and other refreshments whilst looking at their learning journeys and the amazing progress they have made over the year.

Singing Picnic

Year 4 returned to Watts Gallery this week, but not to revisit their art project. Instead they were attending a Singing Picnic, organised by Arts Partnership Surrey. Together with children from New Haw and Tillingbourne schools, and assisted by our professional vocal tutors, Nina and Rebecca, the children took part in traditional singing games before singing the songs they had prepared for the other schools and enjoying being the audience for their songs. This highly enjoyable day was rounded off, of course, by a picnic lunch.

Keeping Safe Day

Thursday at Weyfield was just PANTS as the whole school spent the day concentrating on keeping safe in many different areas: safety on the roads and out and about, stranger danger, health and hygiene, sun

safety, e-safety and online bullying, looking at healthy friendships and relationships, and learning about P.A.N.T.S. – the N.S.P.C.C.'s advice about protecting children from abuse. There was also information about Childline and how to contact them.

The **Welly Walk** raised an amazing **£1700**, which is an outstanding amount of money. Thank you to everyone for your sponsorship. The PTFA are delighted to have reached this figure and would like to thank every child who took part; it was a lot of fun!

The individual winner was Louis, who is very much looking forward to his day as Head Teacher! He raised an incredible £388.50 in sponsorship money and was very proactive in fundraising for this event.

Summer Fair

In a break from recent tradition, the Summer Fair took place after school on Friday afternoon. In blistering heat, families and friends flocked to the stalls and sideshows, enjoyed the refreshments, with many a well-needed drink, and tried their luck on the games. The hook-a-duck stall proved to be a particular favourite, as did the Nerf guns. Long queues formed at the ice cream and burger vans and the face painting was as popular as ever. We also think we might have solved the England Lionesses' penalty problems!

A huge *Thank You* to everyone who made the Summer Fair possible, either through donating items to sell or for prizes, by setting up, clearing away or manning a stall, or by coming along and spending money! All the money raised at events like this is wholly for the benefit of the children, and that is why we are all here, after all!
