Elm Class: 100% and 97.33%

Olive Class: 99.09% and 99.05%

And the **whole-school average attendance** is **95.46% Well done everyone!**

From Mrs McClintock

Dear parents, carers and families,

World Book day

Thank you to everyone who helped with the children's costumes for World Book Day. We had a very enjoyable day looking at all the wonderful ideas and sharing our favourite stories.

Sports Relief – opening ceremony for our new outside fitness equipment

The weather forecast is looking promising this week so the children can be trained in using our new outside equipment. For now, the children have been asked not to use it until they know the expectations for each piece. That will take place this week. On Friday, we will have our official opening ceremony with Elliot Giles (GB Olympian). Please come and join us if you can at 2:30 p.m.

Parents evening

Don't miss out! Parents evening is a great time to catch up with all the exciting learning your child is doing at school. Please ask if you do not have an appointment.

Coronavirus

We take our responsibilities in the current situation very seriously. At the moment, educational settings are working with the Government and local authorities on containment – prevention of the spread of the virus. The children have had lessons on how to prevent the spread and we have put additional measures in place including extra hand washing. Please ensure you use the hand sanitiser available at reception if entering the building and please do not hesitate to contact me if you have any concerns or comments on this matter. Thank you, as always, for your continued support.

Headteacher

PhysiFUN

Some of our Year 1 & 2 children were selected to take part in a PhysiFUN multi-activity event hosted by Weyfield. Three other schools also took part.

The event was set up and led by our Sports/Junior Sports Captains, with the support of Active Surrey, and was designed to inspire young children and help them discover a range of sports through fun, fully inclusive games. Each game was scored by the children demonstrating the game's core values: teamwork, respect, honesty, passion, determination and self-belief.

Our Sports Captains had to train and learn how to lead each activity and were amazing throughout. Each Captain worked really hard to ensure all involved understood how to play each game. They communicated clearly, demonstrated masterfully and rewarded generously. We are so proud of everything they achieved. To lead a sports event is hard work but they accomplished the task and passed with flying colours.

The parents and staff from the other schools were full of praise for our children and said they would love to attend another event led by them.

Well done to all involved; you were incredible!

We are delighted that the children will be able to use the new outdoor gym and fitness equipment next week. Mr Kurn will be working with each class to ensure they are aware of how to use it correctly and safely.

We will be having an official opening Ceremony **on Friday 13th March**

Elliot Giles (GB Olympian) will be visiting us for the afternoon and officially opening our new equipment **at 2:30 p.m**

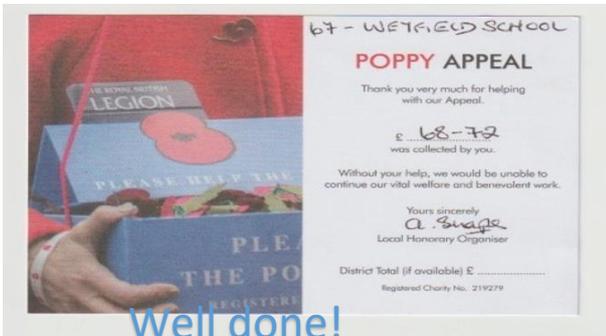

Parents are invited to join us for the occasion. If you would like to attend, please assemble at the back gate for 2:25 p.m. when a member of staff will open the gate to allow you through to the back playground.

Thank you to everyone who sent in the **Sun Books for Schools** tokens. Although we did not reach the (possibly unrealistic) total of 3,500, the Sun has distributed

books to (some) schools – including Weyfield – with lesser totals.

We have now received our books – a selection of Collins Big Cat books, which we shall be putting to good use.

Well done!

Congratulations to Lily, Natalia and Ioana, who have all achieved a **Gold** Mathletics Certificate.

Drop in for a Drink

Why not pop into the Oak Room in the front playground for a cup of tea or coffee and a chat?

Every Tuesday morning: 8:40 – 9:30 am
Every Thursday afternoon: 2:15 – 3:00 pm
