Under the guidance of Premier Sports, on 21<sup>st</sup> and 22<sup>nd</sup> March, we shall be taking part in the Sport Relief Golden Mile, where classes take it in turns to run the *Golden Mile*. All children are asked to donate £1. This is a great, fun way to help maintain fitness at the same time as raising money for a very worthwhile cause.

## From Miss Lim

This week we received two e-mails with lovely feedback, which I wanted to share with everyone:

- Year 5 walked to Metro Bank in Guildford on Tuesday to complete their Money Zone programme of learning. As you know, pupils have been learning about the importance of managing personal finance over the past few weeks. The trip to Metro Bank was a great way to reflect on everything they have learned: they got to use the coin counting machine, explore the vaults and meet Metro Man! Kas Gregory, Customer Service Representative, sent this e-mail to Mrs Shred:

*"Just to say how well behaved and engaged the children were today. A large group who were all very patient and polite. We all thoroughly enjoyed their visit. Customers in the Store commented afterward how great it was to see a local school out in the community."* – Kas Gregory, Metro Bank

Well done Year 5 and we know Year 4 will be just as brilliant when they visit next week!

- Our reputation as a fantastic Scouting school continues to grow. Carol Shirtliff, District Commissioner, sent us an e-mail that she had received from Joe Rogerson, Surrey Scouts County Commissioner this week:

*"I am writing to congratulate you and the 1st Weyfield Scout Group for considerably increasing the number of young people that are members of your Group during the past year. This is an impressive achievement and reflects both the hard work that you have done and the quality programme that you have delivered to achieve this superb increase. More children enjoying good quality Scouting is what it's all about! Please pass on my warmest congratulations to everyone in the Group who has worked so hard to achieve this increase. Well done indeed!"* – Joe Rogerson, County Commissioner

As ever, it makes me swell with pride to read such wonderful comments about our pupils and staff!

Thank you for your ongoing support and I hope you all enjoy the weekend,

Miss Lim  
Headteacher

### Metro Bank

On Tuesday, Year 5 visited Metro Bank to learn about saving and banking. They saw the vault and were even able to try to open the safety deposit boxes by correctly answering a question. If the box was opened, they won a prize! Some people saw the safe and learnt which boxes held which type of valuables.

All the children tried to guess how much money was in their bag for the Magic Money Machine, which counts coins. They all ended their visit with a goody bag and a visit from Metro Man.

### Weyfield's Wonderful Works of Art

Some of our girls have been working together to create two magnificent artworks, which are now on display in school.

Both pieces of art send out messages of positivity. One shows aspirations and hopes, career choices and inspirational quotes. The other, using our personal goals as a reference, expresses some of the ways we can work to achieve our goals: concepts such as *study, teamwork, giving 100%, trying, friendship and fun!*

The girls are, rightly, extremely proud of their achievements and take great delight in explaining the project. If you are in school, do take the time to have a look.

### Reception's Spring Walk

This week the Reception children went on a Spring walk to look for signs of spring. Along the way they found lots of daffodils and buds, some catkins, crocuses and daisies, and saw blossom and birds in the trees. After the walk they decided that the Reception garden area needed a makeover so they have been busy cleaning the garden and planting more bulbs and seeds. They look forward to seeing them grow in the coming weeks.

### Home Learning

Once more, we have seen some fantastic home learning this term. Year 1 produced some amazing models, following on from their trip to Brooklands Museum, and Year 5 have been producing recycled clothes! Would you wear these? Aren't they brilliant?

### Uniform

We have various sizes of polo shirts and fleeces with the old school logo, all priced at £1.50. These are available from the office.

### International Weyfield

Mrs Blackwell is half Italian, having an English mother and an Italian father. Although her mother preferred to be in the UK to give birth to her children, hence Mrs Blackwell was born in Worcester, the family returned immediately to Sicily and she lived there, where her parents still live, until she was nineteen, when she returned to the UK to study at university.

Her mother had travelled to Sicily to teach English to an Italian family, although she spoke very little Italian herself at that time – she does, now, of course! – and that was where she met her future husband, who was the only one of a group of friends who could speak English.

Mrs Blackwell learnt English as she was growing up, as her mother always spoke English to her but, of course, she learnt Italian at the same time and now her own children are also bi-lingual, as Mrs Blackwell speaks Italian to them at home!
