Don't forget to join us for our great school meals taster session on **Tuesday 10<sup>th</sup> July** at 2:30pm. All FREE!

A reminder that this week was the final Cricket Club. **There will be no Cricket Club next week** (Monday 9<sup>th</sup>) and so this club has now finished for the summer. We hope all those children who attended were bowled over by it!

## From Miss Lim

On Monday we had some very special visitors to the school... my family! My mum, sister and two of her children came to visit Weyfield. After four years of listening to me talk about how much fun I have at work every day, they got to come and see the school in action for themselves – and of course they loved it! My niece, Jessica, is 4 years old and goes to pre-school in London. She had a great time in the amazing outdoor learning space in Reception, eating lunch in the dining hall with our pupils, reading books in the library and sitting in my office... pretending to be in charge! My mum and my sister loved meeting all the children, talking to staff and looking at the beautiful art work on display throughout. And my nephew, Benjamin, who is only 9 months old and a real cutie, was a big hit with staff and pupils. It is always so wonderful to share the joys of Weyfield with others but especially with the most important people in my life, my family.

Following a lovely Summer Fair last weekend (huge thanks to the PTFA!), we are lucky to have another reason to get together as a community this weekend – the Stoke Community Fun Day, organised by St Peter's Church and others. The action kicks off at 3pm on Bellfields Green: a bouncy castle, face painting, refreshments, sports and stalls. Even if you are glued to the television watching England (w)in the football, come along afterwards for a BBQ and live music from 5-7pm!

Have a great weekend and thank you for your ongoing support,

Miss Lim  
Headteacher

### Summer Fair

A huge *Thank You* to everyone who supported our Summer Fair on Saturday, either by helping out or by coming along and spending your hard-earned cash!

In blistering heat, chilling under the trees with an ice cream was an ideal way to spend time when not wandering round the many stalls and sideshows, honing your archery skills or reinventing yourself as a rock star!

Face painting was extremely popular and we are sure there were some very disappointed children (and a few adults!) when it was time for these beautiful creations to be washed off! Many coconuts were won and quite a few teddies now have a new home! Thank you to the PTFA for all their hard work in organising this superb event.

### Butser Farm

On Monday, Year 5 visited Butser Farm to discover what life was like for a typical Roman Briton. They made pots, with clay freshly dug from the ground, and created mosaics and jewellery, as well as seeing what the Roman toilets were like – a communal area where people would often spend hours socialising and playing games! They also saw the interior of Butser's Roman villa, a recreation of one excavated at Sparsholt near Winchester.

For more ideas of things to do over the summer holidays, Guildford Borough Council has put together some handy, go-to, online information: <https://www.guildford.gov.uk/holidayactivities>

### Reception in Wonderland

Cedar Class's outside area was transformed on Monday into Wonderland (minus Alice), as the children prepared for their Mad Hatter's Tea Party. They made cupcakes, jam tarts and teacups (!) and invited their families to enjoy the food and to see the work they had produced throughout the year. They were suitably impressed with both – and the spectacular weather we had laid on especially for the occasion. The children were, rightly, extremely proud of their achievements and it was a wonderful, relaxed way for the year to be drawing to a close. Keep up the good work in Year1, Cedar Class!

### Let's Hear It For The Blanks!

Having formed at the Rocksteady Easter Camp, The Blanks were seen to have a *special something* and have been putting in extra work with Luke and Alice, writing and rehearsing their own song, 'Pressure'. On Friday, they went to Lark Recording Studios in Peasmarsh, where they recorded the song, which is currently being mastered! They also did a photoshoot for the CD cover and they will be performing the song at our own Rocksteady concert and at the Boileroom concert. Remember us when you're rich and famous, boys!

**Congratulations to Elder Class**, who have the highest attendance this week of **97.1%**; they will be awarded golden time. This week's **whole-school attendance** is **93.43%**.
