Wednesday 12th December: Christmas Lunch
Wednesday 12th December: Attendance Treat
Wednesday 12th December: Reception Film and Disco
3:00 – 5:00pm

Celebrating children who have gone above and beyond this week:

Alex (Pine)... for excellent participation in all lessons.

Lucas (Walnut)... for persisting with learning English and not letting this be a barrier to his application in class.

Mollie (Elm)... for making good choices this week and making great progress with her reading!

From Miss Lim

This week you should have received an invitation to make an appointment for Parents' Evening in November; thank you to everyone who has already returned their appointment slips! Although these meetings are short, they are a really important opportunity for you and your child to have a focused discussion with the class teacher about progress and next steps. You will be provided with a printed report of your child's current academic profile and have time to look at work in books. Every parent is expected to attend however, if there is a reason you cannot, please speak to the class teacher and arrange an alternative date and time. Please also remember that you do not have to wait until Parents' Evening to talk to us about your child's learning! We are always happy to sit down with parents and discuss whether your child is on track to meet or exceed age-related expectations. As professionals, we know that our work is greatly enhanced when parents are actively engaged in their child's education, so we are always keen to share ways you can support them at home and consolidate their learning.

Next week we are hosting our first International Food Day Potluck event! We are very lucky to have some parent volunteers who have generously agreed to prepare food from their home countries and we cannot wait to sample the different cuisines. Children will spend some time in the afternoon tasting what's on offer and then the Blue Hall will be open to parents from 3pm for FREE tasters. I look forward to seeing you there!

Have a great weekend and thank you for your ongoing support.

Miss Lim

Headteacher

Making a difference every step of the way...

Congratulations to Lily in Year 2 for walking the 5k Memory Walk and raising over £130 for Alzheimer's. Lily chose to walk in support of a very close family friend who sadly passed away at the beginning of the year from Alzheimer's. It took her over an hour to walk in the pouring rain! Well done Lily for demonstrating such thoughtfulness and resilience!

FREE FUNERIFIC* FOOTBALL!

23 OCTOBER 2018
8 - 12 years

Meet @1.30 - 4.00pm
for an afternoon of
football fun!

FUNERIFIC MEANS SUPERFUN! SOON TO BE ADDED TO THE ENGLISH DICTIONARY!!

- 🌟 Bug hunts
- 🌟 Wooden creations
- 🌟 Forest games
- 🌟 Learn to use hand tools and much more!

For further details and/or an application form, please ask in the school office.

Safety In and Around the School Grounds/WOW

We are delighted that many of our children choose to cycle or scoot to school. However, we are concerned at the speed some of them hurtle down School Close towards the gates!

Please ensure your children ride safely, being aware of pedestrians and traffic at all times. **No bikes should be ridden on school grounds;** they should be wheeled across the playground.

Cars should not be driven down School Close. Please park safely and considerately on Woking Road and walk to the gates.

Why not walk anyway? We are continuing to work with the charity, Living Streets, to encourage healthy ways (walking, cycling, scooting) to come to school. This promotes wellbeing by improving behaviour and concentration levels and, of course, it means there is less congestion at the school gates. It is also a great opportunity for social interaction – chatting and meeting friends on the way.

If you live too far away for walking to be a feasible proposition, you can always 'park and stride'. Park a little further away and walk the rest of the journey.

Children who walk, cycle, scoot or park and stride to school at least once a week for a month can receive a collectible badge.

Congratulations to Maple Class, who have the highest attendance this week of **98.85%**; they will be awarded golden time! This week's **whole-school attendance** is **96.47%**, which is great – keep it up!
