Celebrating children who have gone above and beyond this week:

George (Birch)... for 100% attendance and engagement.

Elm Class... nominated by Miss Ruocco on her last day, for having been such a pleasure to teach.

Year 6 pupils... who all tried their best and worked really hard in their mock-SATs this week!

From Miss Lim

On Wednesday I had the pleasure of accompanying Year 6 pupils to see Kings College's performance of Macbeth. We managed to get front row seats in the packed hall and were joined by pupils from Northmead, Guildford Grove and Queen Eleanor's. The 1.5hr performance was extremely dramatic: thunderstorms were recreated with flashing lights and an ominous soundtrack, there were 3 scary witches, a very menacing Lady Macbeth and plenty of fake blood! Last year, our pupils studied Macbeth and put their own performance together with the Guildford Shakespeare Company (thanks to the charity Delight), so they all knew the plot and thoroughly enjoyed the show. At the end, when I asked what their favourite parts were, one replied "all of it – except the end, which was sad!" Thank you to Kings College for inviting us to come and watch!

Sadly, Mrs Valentino will be leaving Weyfield at Christmas and starting a new job in January, as a Specialist Teacher at Gosden House. As SENCO, Mrs Valentino has been absolutely committed to ensuring the individual needs of all our pupils are met every day. She has been an invaluable member of staff, bringing an abundance of love, energy and enthusiasm to everything she does – and I have no doubt her new classroom will be one filled with joy and excitement. She has wholeheartedly supported children, families and staff and brightens the school with her positivity, multi-coloured crystals and fairy doors! She will be greatly missed and we wish her the very best of luck for the future.

Have a great weekend and thank you for your ongoing support. We look forward to seeing you at Parents' Evenings next week!

Drama 4 All

Yesterday (Thursday) Key Stage 1 were delighted to welcome Perform to school for drama workshops with each class.

Rosie the Ringmaster guided the children through a series of scenes related to the circus. The children mimed circus skills, such as tightrope walking, unicycling and juggling, and were led by their peers in dance moves, which they had to copy. One of the most popular activities was when the children pretended to be toys which came to life when no one was around, but they had to freeze immediately Rosie came back! They all agreed it was tremendous fun.

Perform run drama classes across the south, to boost children's confidence, improve their concentration and provide creative opportunities while they have fun. www.perform.org.uk

Delight Book Fair

Thanks to the charity Delight, our pupils went home with almost 1000 new books between them yesterday!

Larch Class Remembers

Larch class have made a poppy wreath to commemorate the 100 years since the start of World War 1. The wreath is made from 100 poppies all designed by the children: 1 poppy for every year. They discussed the significance of the poppy and why wreaths are laid on 11th November.

It looks beautiful on their classroom door.

Safety Around School

Can we take another opportunity to remind you that **no cars should be driven down School Close**. We have had another occasion this week when a child was nearly hit by a car driven by a Weyfield parent/carer. Please park safely and considerately on Woking Road and walk to the school gates. Thank you!

Congratulations to Aisling Herbert, who has achieved a Gold Athletics Certificate.

On Friday 16th, children are invited to come to school in 'spotacular' mufti for a donation of £1, to support BBC Children in Need. We hope to see as many spotty children as possible!

Congratulations to Lavender Class, who have the highest attendance this week of **98.92%**. This week's **whole-school attendance** is **96.38%**, which is fantastic. Please make sure your child is in school every day so they don't miss out on all the exciting opportunities!
