Above and Beyond

Summer in Walnut Class for showing excellent behaviour in Literacy.

Nabil from Maple Class has shown excellent problem solving skills.

In Larch Class, Gabriella has made very good progress in reading.

Teonie in Hornbeam has worked hard to improve her handwriting.

Edward in Pine Class has shown a great, positive attitude towards challenging work.

In Lavender Class, Hamza has shown amazing perseverance.

Well Done!

Congratulations to Jakob who has achieved a Gold Athletics Certificate.

From Mrs McClintock

Dear Parents and Carers,

I trust you all had a lovely break, the sun is shining and the children looked refreshed and ready for their learning.

We are really looking forward to some exciting opportunities this term. Look out for the dates on the newsletters and be sure to attend as many of the parent events as you can. It really does help your child's learning when there is a healthy link between home and school and I will be encouraging you to play an active role in your child's education. This month we have parents' evening; an ideal opportunity to see what is happening in school and to celebrate your child's successes so far this year. These evenings are also great to find out about next steps in your child's education and an opportunity to talk to the class teacher about how you may support your child at home with their learning.

As always, if you have any questions, queries or comments, please do not hesitate to contact me via the school office.

Kind regards,

Janette McClintock
Headteacher

Active Planet

As the science module of their IPC topic, Active Planet, Years 2 and 3 have been making volcanoes out of papier maché and looking at the chemical reaction between an acid (vinegar) and an alkali (sodium bicarbonate). Their volcanoes have looked very impressive, even before their eruptions, which were pretty spectacular to say the least!

Disco

Thank you to our wonderful PTFA for putting on a disco for the children on Wednesday. All the children had a great time and we saw some spectacular dancing, particularly from Aswin, who won the dancing competition! We would also like to thank all the staff who helped to make the occasion such a success.

ARMED FORCES
COVENANT

Cubs' Awards

On Friday, our Cubs were presented with their badges for the activities they have been working on. They proudly accepted their badges and celebrated everyone's success. They will now be starting new challenges.

Football

On Monday, we hosted Send's girls' team for a football match. The game was played in great spirits and, although we lost, the Weyfield girls gave a good account of themselves against their more experienced opposition. Hopefully, the girls will have learnt some good lessons in the defeat that will help them in future games. Well done girls!

Congratulations to Lavender Class, who have the highest attendance this week of **97.78%**; they will be awarded golden time. This week's **whole-school attendance** is **92.39%**.

School of Rock

On Tuesday afternoon, our year 6 students were invited to watch a special preview of the Christ's College performance of 'The School of Rock'. Our children had a great time and some even had the chance to join in with the performance!
